

Quincyan of the Week

BY: JANICE VOGEL

Our next honoree went straight to the head of the class. Congratulations to David Cain on becoming Quincy Buzz Quincyan of the Week and for noting *this* award as his greatest achievement (hope he wasn't expecting a trophy or a cash prize or anything)!

Born and raised in Quincy, David attended Highland Riverside grade school and is a 1986 graduate of Quincy High School. He earned degrees at BCCC in Davie, Florida in 1989 and Florida Atlantic University in 1992. His life took an even better turn when he met and married Holly. Is she cute or what? And together they have 3 beautiful children: Caylin, 15; Evan, 9; and Paige, 7.

David is owner of Gem City Insurance Agency and active in the community he grew up in. He's an Ambassador for the Chamber of Commerce, Youth Coach, and a volunteer for The Crossing Children's Ministries.

David loves following his children's sports, being a coach, and community functions (he's pretty much like Waldo or maybe Dean or even Reggie.) You'll probably find him in the crowd at the next Quincy [social occasion](#) (party).

I could spend pages telling you why you might find David interesting, but you would think I made a lot of it up. To that I say, "Perhaps" and "Oh, so you think you know me?" But I digress. I'll let David say a few words now: "I love anything with a motor and to shop for most of my wife's clothes, I buy 90 % of what she wears." 4 Realz? Did I (and you) read that right? He said he dresses Holly. Now that is interesting . . . and so sweet. I wonder if his lovely wife agrees. Hmm.

David also wanted us to know that if someone wrote a biography about him the title would be *Hard-Headed Nice Guy*. That explains the shopping thing!

Quincy Buzz asked this Quincyan of the Week - What is the best advice you've ever given and received? And I'll leave you with David Cain's answer (good thoughts to ponder): "Always give your burdens to the Lord, don't worry about what you can't control . . . Live like you're going to die tomorrow, Die knowing you're going to live forever."

Thanks David!
